House with flat for sale

Originally a 2-bedroom home, this property has been thoughtfully expanded into a generous 5-bedroom residence, perfect for large families, dual-living, or income-generating possibilities. Cleverly designed, it can easily be split into two separate dwellings if desired.

The heart of the home is the modern open-plan kitchen and dining area, where a unique Bluetooth-enabled light fixture sets the mood by adjusting lighting and playing music to match your vibe, perfect for entertaining or relaxing.

The sunny living room is kept warm and inviting with an anthracite stove, creating a cozy atmosphere year-round. The front two bedrooms are both spacious and feature built-in closets, while the main bedroom offers an en-suite bathroom with both shower and bath. A second full bathroom serves the guest room.
